

Everyone, Everywhere Growing in Faith

Growth

Sometimes, being a Christian is hard work, we feel stuck in a rut, nothing changes and we may even feel like we go backwards in our faith journey. At other times, it feels like our relationship with God grows and develops and we learn more about who He is and draw closer to Him.

Write down or draw things that you associate with the word Growth. You might have an old newspaper or magazine to hand, and choose to cut words/images out and create a collage. Come up with your own definition or logo that represents faith growth for you. You might like to do this on your own, with friends or family (of all ages) or with members of your church.
