

Diocese of Bath and Wells - Support Services

Our Support Services team, based across our diocese and at Flourish House in Wells, add capacity to our bishops and archdeacons and the support they offer, as well as work directly with those in our churches, chaplaincies and schools.

It is made up of different teams, offering support and advice in a variety of areas:

Mission Support & Ministry Development

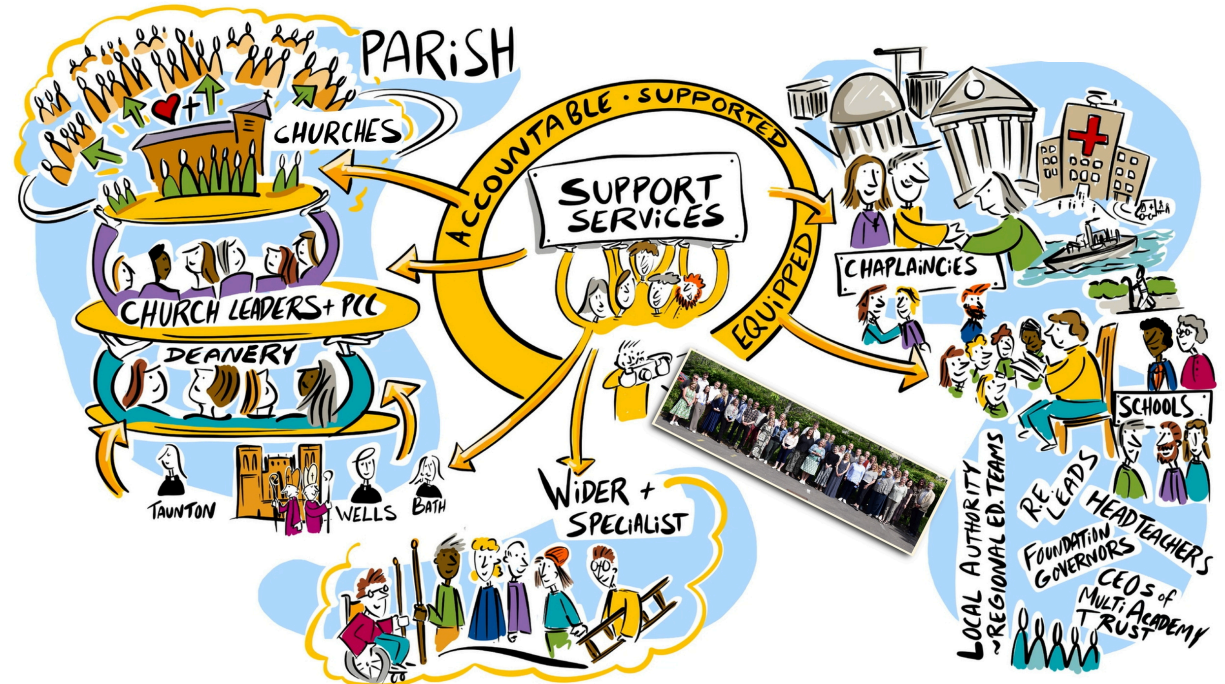

Vocations | lay & ordained training | chaplaincy | pioneering | world church & Zambia | giving & funding | church buildings | rural & Magnificat | social justice | creation care & Net Zero | peacebuilding | ecumenical | clergy wellbeing | interfaith | healing & deliverance ministry | inclusion & diversity | new worshipping communities | spiritual accompaniment

Education

Church / school partnerships | RE & collective worship | children & young people | school spiritual leadership | school estate management | education advice and support | governor support & training | SIAMS | academisation support

And...

Safeguarding | legal & governance | employment support | sharing your stories | finance & operations | clergy property and glebe land | managing media requests | policies & procedures | GDPR | sharing stories

“All of us, living and telling the story of Jesus in communities across our Diocese of Bath and Wells. Supporting one another. Living and learning from one another. Together.”

Want to know how we all connect and support one another?
